

CONTRACTOR ASSURANCES, SURETY BONDS AND INSURANCE, AND CHANGE ORDERS

Contractor Assurances

The district shall only enter into a contract with a contractor who is licensed or registered as required by the laws of this state. A statement by the contractor must be submitted and sworn to which states that the contractor is in compliance with the state laws relating to prevailing wage for public works and with state and federal laws relating to nondiscrimination in hiring. Such a statement may be a provision or clause in the contract.

Contractor Surety Bonds and Insurance

Each contractor's bid must be accompanied by a certified or cashier's check or bid bond in the amount required by the bidding document. Bidding documents shall specify whether the district or the contractor shall carry fire, liability, or other insurance during construction.

The successful bidder is required to make, execute and deliver to the district a good and sufficient payment and performance bond as required by law and bidding documents.

Change Orders

Change orders will be considered if they arise during construction. In order to facilitate timely progress during construction, the board may grant the superintendent authority to authorize change orders to the extent the board deems appropriate.
